

## BSGIE FRIDAY SESSION

Scientific Group : BSGIE

Day: Friday, february 14th 2025

### Session 1

Welcome

9:00-9:05 Introduction

**Moderators:** Monika Ferlitsch (Vienna, Austria), Maria Pellisé (Barcelona, Spain), Hannah van Malenstein (UZ Leuven)

### *State-of-the-art video session*

9:05 Educative video: How to perform qualitative CSP  
Maria Pellisé (Barcelona, Spain)

9:20 Q+A

9:25 Conventional pEMR: how to avoid a disaster?  
Monika Ferlitsch (Vienna, Austria)

9:45 Q+A

9:50 Educative video: when and how to refer for advanced resection  
Maria Pellisé (Barcelona, Spain)

10:05 Q+A

### *Video abstracts: endoscopic management of surgical complications (part 1)*

10:10 79 GV 01 (6' presentation + 2' discussion)  
Medical malpractice litigations against gastroenterologists in Belgium.  
T. MOREELS (1), N. MEYTEN (2) / [1] Cliniques universitaires Saint-Luc, Woluwe-Saint-Lambert, Belgium, Hepatogastroenterology, [2] Ziekenhuis aan de Stroom Antwerpen, Antwerpen, Belgium, Cardiology

10:18 106 GV 02 (6' presentation + 2' discussion)  
Video abstract - Endoscopic treatment of esophago-bronchial or tracheal fistula.  
P. DEPRez (1), T. MOREELS (1) / [1] Cliniques universitaires Saint-Luc, Woluwe-Saint-Lambert, Belgium, Hepatogastroenterology

10:26 121 GV 03 (6' presentation + 2' discussion)  
Video abstract - Endoscopic treatment of a complex colorectal anastomotic leak with a pelvic abscess and rectovaginal fistula.  
L. MONINO (1), P. DEPRez (1), R. BACHMANN (2), C. REMUE (2), E. DANSE (3), T. MOREELS (1) / [1] Cliniques universitaires Saint-Luc, Woluwe-Saint-Lambert, Belgium, Hepatogastroenterology, [2] Cliniques universitaires Saint-Luc, Brussels, Belgium, Colorectal Surgery, [3] Cliniques universitaires Saint-Luc, Brussels, Belgium, Radiology

10:35-11:05 Coffee Break

Session 2 (11.05-12.10)

Moderators: Tom Moreels (Cliniques Universitaires Saint-Luc, Brussels), Jean-Baptiste Zeevaert (Wallonie Picarde (CHWAPI), Tournai), Pierre Eisendrath (CHU Saint-Pierre, Brussels)

Video session : Endoscopic management of surgical complications (part 2)

11:05 157 GV 04 (6' presentation + 2' discussion)  
Video abstract - LOCKing Down Perforations: Advanced Anchoring Teeth Clips for Esophageal Repair.  
S. TELES DE CAMPOS (1), M. FERNANDEZ Y VIESCA (1), N. ROPER (2), A. LEMMERS (1) / [1] HUB Hôpital Erasme, Brussels, Belgium, Department of Gastroenterology, Hepatopancreatology and Digestive Oncology, [2] Erasme Hospital, Brussels, Belgium, Oto-Rhino-Laryngology

11:13 24 GV 05 Abstract n°24 (6' presentation + 2' discussion)  
Endoscopic exploration of the excluded gastroduodenal segment in patients with Roux-en-Y gastric bypass: indications and findings.  
T. MOREELS (1), L. MONINO (1) / [1] Cliniques universitaires Saint-Luc, Woluwe-Saint-Lambert, Belgium, Hepatogastroenterology

11:21 177 GV 06 (6' presentation + 2' discussion)  
Video abstract - Endoscopic heliX tacking system for the Management of colonic Anastomotic dehiscence (X-MAN) after a laparoscopic left colectomy.

V. VANDENDRIESSCHE (1), E. KAYA (1), P. YENGUE (1),  
M. LEFEBVRE (1) / [1] Centre Hospitalier Wallonie Picarde (CHWAPI),  
Tournai, Belgium, Hepatogastroenterology

- 11:29 221 GV 07 (6' presentation + 2' discussion)  
Video abstract - Contrast media guided-vacuum therapy for the  
treatment of lower-GI leakage.  
S. OUAZZANI (1), F. MICHAEL (1), A. MARIANNA (1), F. BOUAZZA (2),  
J. DEVIERE (1), P. EISENDRATH (1), A. LEMMERS (1) / [1] HUB Hôpital  
Erasme, Brussels, Belgium, Department of Gastroenterology,  
Hepatopancreatology and Digestive Oncology, [2] Institut Jules  
Bordet, Brussels, Belgium, Digestive Surgery
- 11:37 240 GV 08 (6' presentation + 2' discussion)  
Video-abstract - Endoscopic ultrasound-guided gastroenterostomy to  
treat an obstructive gastric twist after laparoscopic sleeve  
gastrectomy.  
L. MONINO (1), Y. DESWYSEN, M. THOMA, P. DEPREZ,  
T. MOREELS (1), / [1] Cliniques universitaires Saint-Luc, Woluwe-  
Saint-Lambert, Belgium, Hepatogastroenterology, [2] Cliniques  
universitaires Saint-Luc, Woluwe-Saint-Lambert, Belgium,  
Department of Digestive Surgery
- 11:45 GV 09 Abstract n°### (submitted in too late abstracts) (6' presentation + 2'  
discussion)  
Video-abstract - Transgastric EUS guided pancreatic duct access in  
the management of pancreatico-jejunal anastomotic stricture  
following pancreaticoduodenectomy.  
S. VAN DER MERWE (1) / [1] University Hospitals Leuven (UZLeuven),  
Leuven, Belgium, Gastroenterology and Hepatology
- 11:53 GV 10 Abstract n°### (submitted in too late abstracts) (6' presentation + 2'  
discussion)  
Video-abstract - The use of EUS guided access to manage postsurgical  
fibrotic stenosis of the hepaticojejunostomy.  
S. VAN DER MERWE (1) / [1] University Hospitals Leuven (UZLeuven),  
Leuven, Belgium, Gastroenterology and Hepatology
- 11:53 238 GV 11 (submitted in too late abstracts) (6' presentation + 2' discussion)  
Video-abstract - Persistent dysphagia post anti-reflux surgery treated  
with EUS-guided fistula formation between gastric fundus and corpus  
C. SNAUWAERT (1), J. LESAFFER (2) / [1] AZ Sint-Jan Brugge, Brugge,  
Belgium, Department of Gastroenterology and Hepatology, [1] AZ  
Sint-Jan Brugge, Brugge, Belgium, Department of Digestive Surgery
