HILTON HOTEL ANTWERPEN

BSGIE VIDEO Session

Scientific Group : BSGIE Video Session

Day : Friday 2nd February, 2024

Video Session (part 1): Luminal GI bleeding: technique of hemostasis.

Moderators : John Morris (Glasgow, U.K.), Pieter Dewint (AZ Middelares, Gent),
Pierre Eisendrath (CHU Saint-Pierre, Brussels)

09 :00 Welcome

09 :05 **Invited Lecture: Upper GI bleeding: technique of hemostasis.**

John Morris (Glasgow, U.K.)

09:25 Q/A

09:29 216 G 30 **Multimodal Mastery: Endoscopic Management of a Large Angiodysplastic Lesion in a Patient with Severe Iron-Deficiency Anemia.**

L. DEBELS (1), P. POORTMANS (1) / [1] UZ Brussel, Brussels, Belgium,
Department of Gastroenterology and Hepatology

09:34 Q/A

09:38 219 G 31 **Overt small bowel bleedings: different approaches for different case Scenarios.**

M. FERNANDEZ (1), M. ARVANITAKIS (2) / [1] Erasme University
Hospital - Université Libre de Bruxelles (ULB), Bruxelles, Belgium,
Gastroenterology, [2] Erasme Hospital, Brussels, Belgium,
Gastroenterology

09:43 Q/A

09:47 233 G 32 **NOVEL RESECTION TECHNIQUE FOR LARGE PEDUNCULATED POLYPS AND MANAGEMENT OF POST-RESECTION BLEEDING.**

L. JANSSENS (1), N. BUTTAR (1) / [1] Mayo Clinic, Rochester, United
States (the), Gastroenterology

09:52 Q/A

09:56 235 G 33 **Hemorrhagic shock in Upper GI bleeding.**

A. BOURGEOIS (1), A. ATTAR (2), M. ABDESSALAMI (2),

V. DE SMET (2), A. CARINI (3), P. EISENDRATH (2) / [1] CHU Saint-Pierre, Brussels, Belgium, Gastroenterology , [2] CHU Saint-Pierre, Brussels, Belgium, Gastroenterology, [3] CHU Saint-Pierre, Brussels, Belgium, Anesthesiology

10:01

Q/A

10:05 **Invited Lecture: Lower GI bleeding: technique of hemostasis.**

Konstantinos Triantafyllou (Athens, Greece)

10:25 Q/A

10:30-11:00 Coffee Break

Video Session - GI bleeding (part 2): Antithrombotic management and ERCP / advanced technique.

Moderators : Konstantinos Triantafyllou (Athens, Greece), Arnaud Lemmers (HUB, ULB, Brussels), Maridi Aerts (UZ Brussel)

11:00 102 G 34 **Hemobilia after ERCP for post-liver transplantation anastomotic stricture: is endoscopic hemostasis always possible to treat hemobilia?**

G. LOSURDO (1), A. LEMMERS (1) / [1] Erasme Hospital, Brussels, Belgium, Department of Gastroenterology, Hepatopancreatology and Digestive Oncology

11:05

Q/A

11:09 188 G 35 **Balloon tamponade as initial treatment of per procedural post-sphincterotomy bleeding.**

S. OUAZZANI (1), A. LEMMERS (1) / [1] Erasme Hospital, Brussels, Belgium, Department of Gastroenterology, Hepatopancreatology and Digestive Oncology

11:14 222 G 36 **ACUTE BLEEDING DURING ENDOSCOPIC SPHINCTEROTOMY.**

M. NOREILLIE (1), D. DE WULF (2) / [1] AZ Delta, , Belgium, Gastroenterology, [2] AZ Delta, Roeselare, Belgium, Gastroenterology

11:19

Joint Q/A

11:23 **Invited Lecture: GI bleeding and antithrombotic management.**

Ruben Casado (Cardiologist, ULB Brussels)

11:38 Q/A

11:42 197 G 37 **ENDOSCOPIC TREATMENT OF PEPTIC ULCER BLEEDING POST GASTRIC BYPASS SURGERY.**

M. NOREILLIE (1), D. DE WULF (2) / [1] AZ Delta, Belgium, Gastroenterology , [2] AZ Delta, Roeselare, Belgium, Gastroenterology

11:47

Q/A

11:51 236 G 38 **Management of Recurrent Duodenal Bleeding in Roux-en-Y anatomy.**
L. JANSSENS (1), D. PENRICE (1), A. STORM (1),
L. WONG KEE SONG (1) / [1] Mayo Clinic, Rochester, United States
(the), Gastroenterology

11:56 Q/A

12:00 **Conclusions and Wrap-up**
Arnaud Lemmers (HUB, ULB, Brussels)
